The Saskatchewan Knights of Columbus is pleased to partner with Our Lady of Visitation in offering food hampers to the parishioners within the community of Laloche. These hampers are offered to the community in recognition of the stress and hardships that were experienced by many of your families due to the major outbreak of COVID 19 over the past few months.

Each food hamper voucher has a value of \$150.00. They can be redeemed at the Meadow Lake Co-Op in Meadow Lake. It is important to note that each voucher can only be redeemed for the purchase of groceries and they have no cash surrender value.

There are a total of 136 Councils of the Knights of Columbus within the province. Each Council consists of a group of Catholic men committed to work together with our Bishops and Priests in offering the gift of Catholic faith to all members of their community. There are currently over 10,000 Knight of Columbus members within Saskatchewan.

The Sask Knights of Columbus Charitable Foundation is supported by donations from our Councils and members throughout Saskatchewan. The funds raised by the Foundation are distributed to individuals, families and organizations in order to improve the quality of life for anyone experiencing difficult times in their lives.

It is our hope that these food hampers will provide recognition of the support and understanding that the Knights of Columbus have for those members of your community that may have had difficulties during the COVID 19 outbreak. We understand that there has been a significant reduction in the number of families within the parish that are currently affected by COVID 19. That is certainly a blessing and we pray that our communities will not experience a future wave of this pandemic.

All the best in the future & God Bless.
