PROVIDE HOPE, OPPORTUNITY and INDEPENDENCE WITH THE GIFT OF MOBILITY

Estimates indicate that 70 million people could use a wheelchair that provides Hope, Critical Mobility, Freedom and Independence. Less than 10% of these individuals have access to a program such as ours that can supply one. Currently \$195 delivers one standard wheelchair, usually in container loads. Donations of \$20 or more are 'Tax Receiptable' by the Canadian Wheelchair Foundation, and will be accumulated to fund the manufacture, shipping and distribution at destination. Your participation is welcome and appreciated. Please complete and submit the form below. Questions: - contact your Council or the Canadian Wheelchair Foundation office.
